

//ispmanager

SSL certificates for hosting providers and resellers

[ispmanager](#)

20% discount on SSL certificates for hosting providers and resellers

We work with big certification centers

Alpha SSL

GlobalSign

Sectigo
(ex Comodo)

RapidSSL

Thawte

GeoTrust

DigiCert

You can provide SSL certificates to clients automatically

If you use BILLmanager

Connect to our service using a module

If you have any other software

Configure API integration

Customers will be able to buy and receive SSL certificates on their own - without the participation of your employees

Until the end of 2022, the turnover on SSL certificates is counted in the affiliate program implementation plan

For hosting providers the post-payment is up to 30 days

//ispmanager
